- 1 x 2014 Shiraz
- 1 x 375ml Rutherglen Muscat
- 1 x 375ml Rutherglen Muscadelle

## From the Winemaker, Stephen Chambers 6th Generation

### In the Winery

In the last week we managed to bottle some table wines including, the 2018 Rosé and 2017 Durif. We were very fortunate as this date only came up due to a cancellation, doubly fortunate as it rained intermittently for the next two days.

This rain has been most welcome in the vineyard though after such a dry start to the growing season, follow up rain would be much appreciated.

As we are nearing the end of 2018, our thoughts are beginning to turn to the 2019 vintage, with Andrew planning out what wines and styles are needed going forward.

I just seem to be running around the winery moving wine and barrels to what end we do not fully know!

### On the Farm

With the weather being dry we are constantly assessing our options in relation to stock numbers, feed requirements and grain pricing. Shearing is complete, so the next thing is dipping to protect against lice and fly strike.

**We wish you all the best in 2019.**

*Cheers from, Stephen and the Chambers Crew*

The long wait is over,  
Riesling is back !

### 2016 Riesling

Pale Straw colour with flint, mineral characters on the aroma with subtle floral notes.

These characters follow on to the palate.

This wine will benefit from opening half an hour prior to serving.

Alcohol 11.5%

### RECIPE - 3 Ingredient Christmas Cake

- 1 kg mixed fruit
- 600 ml Chambers Rosewood Rutherglen Muscat
- 2 cups (250g) self-raising flour

Place the mixed fruit into a large bowl. Add the Chambers Rosewood Rutherglen Muscat and mix well. Cover with plastic wrap and place in the fridge overnight.

Preheat oven to 160 degrees celsius (fan-forced). Grease and line a 23cm cake tin with baking paper and set aside.

Stir the self-raising flour through the fruit mixture and pour into the prepared tin.

Bake for approximately 1 hour (see notes) or until the cake springs back when touched in the middle.

**This recipe needs to be started 1 day in advance to allow the fruit to soak overnight. Check the cake after 1 hour to see if it is cooked. It may need a little longer. This cake can be stored in an airtight container at room temperature for up to 3 weeks.**
