Rosewood Vineyards

Chambers Rosewood

@chamberswinery

We are excited to announce that six of our wines feature in the in the latest James Halliday Wine Companion 2019.

Rating from 92/100 to 99/100.

Also continuing our long standing tradition as a 5 Star rated winery.

"The Fifteenth Edition of my 100 Best Australian Wines represents the finest one hundred Australian wines available on the shelves in the UK for the coming twelve months."

Matthew Jukes

We are honoured to have our Rutherglen Muscat in the Matthew Jukes Top 100.

"There are very few wines in the world that are truly iconic, fairly priced and score as highly as this one does in my notes.....Suffice to say that Chambers Rosewood makes legendary Muscat.....I hope that some of the molecules never leave my body because it is a magical elixer."

Matthew Jukes

Dual Gold Medal Winner 2017 and 2018 Sommeliers Wine Awards Old Vine Muscat

Raisins and rose petal aromas combine with a luscious palate consistent with the fruit aromas and a hint of wood age.

The result is a rich, well balance wine with depth of flavour to enjoy with cheese dishes or chocolate based desserts.

Winemaker: **Stephen Chambers**

\$25 per 375ml bottle

In the Winery

Currently, Andrew is busily getting the 2018 White Wines and Rosé ready for bottling. This includes the process of cold stabilisation to stop the formation of potassium bitartrate crystals in the bottle; something that many of our long - term customers would acknowledge as something that we have unsuccessfully struggled with. The new process put in place will hopefully remedy this situation. Elsewhere in the winery we are removing the 2017 reds from barrel and replacing them with the 2018 wines. I am still working with the 2018 fortified wines with the end in sight with only 1 Muscadelle remaining to be filtered. Also, another blend of Rutherglen Tawny is on the way. At the present time the bench trials have been performed and some of the wine made ready, though there is still plenty of work to be done on this front. While all this is going on I am running around the countryside as part of the **Langton's Fine Wine Classification VII**. We have 2 wines out of the 134 wines listed; with these being Rare Muscat and Rare Muscadelle both being categorised as Excellent with these wines being 2 of the total of 4 fortified wines included in the classification. Not bad for a winery which processed less than 200 tonnes of grapes per year.

On the Farm

We have come to the end of Winter and there is evidence that Spring has sprung with the almond trees having flowered and just a hint that the days are getting longer and warmer. While we have had below average rainfall we still count ourselves very fortunate with the amounts that have fallen keeping the paddocks green and helping the grass to grow. We know full well that there are plenty of other farmers who would love to be in our position and are doing it tough. Some of the afore mentioned farmers are not too far to the North and West across the river in New South Wales. The lambs are still growing and the ewes are slowly beginning to regain some of the condition lost earlier in the season. A reasonable fall of rain at the beginning of September has allowed us to reduce the amount of grain and hay being fed to the stock. Next trick is to manage the breeding ewes after we either sell off and wean the lambs, as indications are that going forward the overall flock number in Australia will be greatly reduced due the adverse conditions elsewhere which will impact in spring 2019 with lamb numbers and prices.
