Chambers Rosewood

@chamberswinery

From the Winemaker, Stephen Chambers 6th Generation

**In the Winery**—Currently in the winery we are getting into the swing of harvest. We welcomed Sara Zhan, from Adelaide University and Arturo Longhini from Florence, Italy just prior to picking our first grapes. Sara and Arturo will be with us for the harvest this year. All things considered the grapes look rather good with great flavour albeit at lower sugars than what we are used to. Even the non-irrigated vines adjacent to the winery have held up to the heat remarkably well. The weather has continued to be relatively dry with the occasional thunderstorm, therefore disease pressure has been low in the vineyard. Fingers crossed that the season continues in the same vein with great colour, flavours and no disease.

**On the Farm**—As a counterpoint we could have done with some more rain for the farm though at this point of time it's too early for the Autumn break and the only thing that will grow now is the weeds. We have bought more grain with the hope that we have enough grain, hay and supplementary feed from the grape marc to get us through.

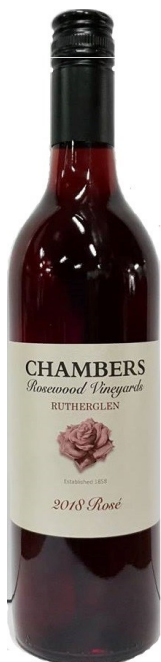

As farmers our thoughts go out to all those who are doing it tough; be it those in drought such as NSW or those counting the costs of the devastating floods in North Queensland.

**Breaking News** - After 25 years of service to the Chambers family, Robert (Whip) Renshaw has decided to retire. This ends a long association between the Renshaw and Chambers families with Robert's father; Ken, also working for us for many years. We wish him all the best with his future. *Cheers from, Stephen and the Chambers Crew*
